- **Convenient 90-supply for maintenance medications.** Long-term maintenance medications are used to treat ongoing conditions like high blood pressure, high cholesterol or diabetes. Contact Medimpact Direct for mail order delivery or local retailer for pickup. Visit [medimpactdirect.com](https://www.medimpactdirect.com) or call 1-855-873-8739.
- **Member services representatives, available 24/7.** They'll help you with questions about your benefit (e.g., any changes to the formulary) or any prescription drug orders.

The amount you pay will be based on whether the drug is:

- **Generic:** You pay the lowest copay
